

DICKINSON AVENUE SCHOOL

March 18, 2010

Dear Parents/Guardians,

I am sending this certificate to you because your child was selected to be recognized through our new program called a **Round of Applause** sponsored by SHARE.

This will help you know a little bit more about our program. Each week, staff will recognize students who have made an extra effort to remember their manners, do something extra nice for someone, tried extra hard at their school work or in their behavior in school. The teacher submits that name to the SHARE Club and that student's name is printed on a hand shaped cut out which is placed on a poster which is in the main hall. All of these hands will create a **Round of Applause**. Please take a look at the posters as the year progresses. *Look for the posters in the main office hallway each month. Students will be recognized through a PA announcement, too.*

We are recognizing your child and I have given them a certificate to make the event even more special. Congratulations are in order for your child for making good decisions on a consistent basis.

Sincerely,

A handwritten signature in cursive script that reads "Anne Whooley".

Anne Whooley

Principal
